

Hart Of Sherwood

CHRISTMAS FUDDLE

SHOOT

SUNDAY 16th DEC

- The Worcester round is shot on a black and white face.
- Points range from 1 to 5.
- Archers will shoot in two disciplines with 5 arrows per end, with 10 sighters on their first target.
- There are 4 faces per boss, with two at the top and two at the bottom.
- Two archers will shoot their first 30 arrows at the two top targets, while the other two will shoot at the bottom target.
- The archers will switch for their remaining 30 arrows, however, there will be NO additional sighters.

WORCESTER TARGET
